Corbett Spars in Baltimore. INT ASSOCIATED PRESS.!
BALTIMORE, Sept. 4.—Corbett's welcome last night was as hearty as could be expected morning that the two engineers who were not from an audience that included many of

morning that the two engineers who were not reinstated, it having been shown that they signed an agreement not to join the Brothershood, may be given work on one of the leased lines of the Reading system. The reinstate-ment of the other engineer is regarded as a victory by the men and credit for it is generally given to the sagacity of Chief Arthur.

Trainmen are now confident that the Jersey Central and Lehigh Valley reads will Jensey Central and Lehigh Valley reads will remain union and they concede that the Reading will be non-union.
